RE: Application of Midland Utility, Inc., Requesting Approval of a Wholesale Wastewater Agreement with the Town of Lexington  
Docket No: 2009-213-S

Dear Mr. Terreni:

In connection with the Application of Midland Utility, Inc., Requesting Approval of a Wholesale Wastewater Agreement with the Town of Lexington, the required notice of filing letter requested that any affected customers be notified on or before June 19, 2009.

On information and belief, only the customer to be served under the expansion of service applied for will be affected. In that connection Applicant Midlands Utility, Inc., requests additional time to ascertain the actual user customer contemplated to be the end user for the collection only service to be treated by the City of Lexington. At the present time, the developer(s) of the proposed subdivision to be serviced have been notified of the Notice of Filing requirements, and the affidavit required will be forthcoming within a reasonable time.

If you have questions or need additional information, please do not hesitate to contact me.

Sincerely,

Charles H. Cook
